MUSIC
MOTOWN

Krystle Dos Santos is a WCMA-award winning soul singer-songwriter based in Vancouver with Guyanese roots. Known for her powerful voice and infectious warmth, she pairs original soul music with beloved Motown classics. Her popular Motown school show premiered in 2019 and has been booked into 100+ schools across BC this past year.

History of Motown

Krystle and her 3-piece band will take students back in time to the peak of Motown Music from the late 1950s to 1980s. Krystle's powerful and interactive medleys of hits by The Supremes, Stevie Wonder, the Temptations and the Jackson 5 will have students and teachers singing and dancing in their seats! Students will learn interesting facts about these key artists and about the historical and significant impact of Motown music on contemporary soul music today.

"Krystle and the band were spectacular. I've never seen so many kids line up after a show for autographs! The staff loved it just as much as the kids and all were dancing in their seats. Thank you for teaching us about Motown music and sharing it with our school community. We highly recommend this incredible show."
