A professional mechanical engineer changes her career to go to clown school and learns the finest things in life are free: to **MOVE**, to **PLAY** and to **LOVE** & to uplift awareness for **Mental Wealth & Environmental Health & Energetic Leadership**

Now, with over 15 years of designing her own career as a Movement Storyteller, TedxSpeaker and Expressive Arts Therapist, DIANNA DAVID self-produced a World Mission Tour around the world to 9 countries with her RED BALL and the advocacy to help people find their red ball that leads to their ultimate Inner Freedom.

Today, she is activating The Red Ball Movement's World Motivational Tour II.
